

This is a detailed map of Mexico, showing its states, major cities, and geographical features. The map is color-coded by state, with each state having a unique color. Major cities are marked with black dots and labeled in bold. Smaller cities and towns are marked with smaller dots and labeled in regular font. The map includes labels for neighboring countries (USA and Honduras) and the Gulf of Mexico. Major cities like Mexico City, Guadalajara, Monterrey, and Cancun are highlighted. The map also shows the Gulf of Mexico, the Pacific Ocean, and the Yucatan Peninsula. The map is oriented with North at the top.
