

A detailed map of Ohio, showing its 88 counties. Each county is color-coded and labeled with its name. Major cities are marked with dots and labeled. The map includes surrounding states (Michigan, Kentucky, West Virginia) and the Great Lakes (Erie, Lake Erie). The counties are arranged in a grid-like pattern, with some variations in shape and size. The colors used for the counties include shades of blue, green, yellow, orange, pink, and purple. The map is oriented with North at the top. The Great Lakes are shown in light blue, and the surrounding states are in light grey. The county names are in bold, uppercase letters. The major cities are in a smaller, regular font. The map is a clear and informative representation of Ohio's geography and administrative divisions.
