

This map provides a comprehensive overview of the Salzburg region in Austria. The city of Salzburg is centrally located and marked with a red star. The map shows the city's proximity to the German border (Deutschland) to the north and west, and its position within the Alpine region, bordered by Tirol to the west, Steiermark to the east, and Kärnten to the south. Key geographical features include the Salzach river, Lake Wolfgang, and the Grossglockner mountain. Numerous towns and villages are labeled, such as Burmoos, Straßwalchen, Zell am See, and Bad Hofgastein. Major roads, including the A1 and A10, are depicted, along with the railway network. The map also shows the location of the Salzburg Airport and the Salzburg Zoo.
