

The map displays the state of Amazonas, Brazil, with its 67 municipalities. The municipalities are color-coded by region: light blue for the northern part, light green for the central part, and light orange for the southern part. Major cities like Manaus, Tefé, and Iquitos are marked with red stars. The map also shows the state's borders with Venezuela, Guyana, and Peru, and the surrounding states of Roraima, Pará, Mato Grosso, Rondônia, and Acre.
