

This map displays the 37 counties of Minnesota, each labeled with its name. Major cities are marked with black dots, and smaller towns are indicated by smaller dots. The map also shows the state's borders with Manitoba, Ontario, and Wisconsin, as well as the Great Lakes (Lac des Bois, Lake of the Woods, and Lac Supérieur). The counties are color-coded in a repeating pattern of light blue, light orange, light green, and light pink. The map is oriented with North at the top.
