

This map of South Carolina displays the following details:

- Counties:** 46 counties are shown, each with a unique color. Major counties include York, Lancaster, Richland, Lexington, and Charleston.
- Cities and Towns:** Numerous locations are marked with dots and labels, including Greenville, Spartanburg, Columbia (the state capital, marked with a red star), Charleston, and Myrtle Beach.
- Transportation:** A network of roads is shown, with major highways like I-95, I-26, and I-77 highlighted in red. Other roads are shown in orange and yellow.
- Geography:** The map shows the Atlantic Ocean to the east, the Savannah River to the west, and various lakes and rivers within the state.
- Neighboring States:** Georgia is labeled to the west, and North Carolina is labeled to the north.
