

This map of Florida displays all 67 counties, each labeled with its name. Major cities are marked with black dots, and the state capital, Tallahassee, is highlighted with a red star. The map also shows the Gulf of Mexico to the west and south, and the Atlantic Ocean to the east. Neighboring states, Georgia and Alabama, are partially visible at the top and right edges. The map is color-coded by county, with various shades of green, yellow, orange, and pink used to distinguish between them.
