

This is a comprehensive map of the state of South Dakota. The map displays all 60 counties, each labeled with its name and color-coded. Major cities are indicated by black dots, while smaller towns are shown as small circles. Notable geographical features include the Missouri River along the western border, the Black Hills in the southwestern corner, and several large lakes such as Lake DeSmet, Lake Oahe, and Lake Sakagawi. The state's capital, Pierre, is highlighted with a red star. Neighboring states—Nebraska to the south, North Dakota to the north, Minnesota to the east, and Iowa to the southeast—are also partially visible. The map uses a clear, sans-serif font for all text labels.
