

A detailed map of Alabama, showing its 67 counties. Each county is color-coded and labeled with its name. Major cities are marked with black dots, and the state capital, Montgomery, is marked with a red star. The map includes major water bodies like the Gulf of Mexico and the Florida Panhandle. The counties are arranged in a grid-like pattern, with some variations in shape and size. The colors used for the counties include shades of green, yellow, orange, pink, blue, and purple. The map is oriented with North at the top. The state of Florida is visible to the south, and the Gulf of Mexico is to the southeast. The map is a clear and informative representation of Alabama's geography and administrative divisions.
