

This is a detailed map of Texas, showing its county boundaries and major cities. The map is color-coded by county. Major cities are marked with black dots and labeled. The map includes labels for neighboring states: New Mexico to the west, Oklahoma to the north, Colorado to the northwest, and Mexico (Chihuahua, Coahuila, Nuevo Leon, Durango) to the south. The Gulf of Mexico is visible to the east and south. Major highways are shown as red lines with route numbers. The map also shows the Rio Grande forming the border with Mexico and the Red River forming the border with Oklahoma.
